EVITA

Based on the life story of Eva Peron, wife of Argentine President Juan Peron. Born illegitimate, poor, without privilege, Eva became the most powerful woman of her country and First Lady of Argentina at the age of 27.

ANNIE GET YOUR GUN

A larger than life, gun-toting, pizzazz-y woman surrounded by a gang of road show performers, belting out some of Irving Berlin's greatest hits. There really *is* No Business Like Show Business!

RENT

Follow a year in the lives of seven friends living in New York's East Village. Feel the fear, isolation, and love experienced by these friends as they struggle with identities, relationships and ultimately discover how important it is to have hope.

KISS ME, KATE

A show within a show and a love-hate relationship between its leading players describes this Cole Porter musical. It opened in 1948 in the traditional style of the Golden Age of musicals. It was Lyric's first show 58 years ago!
